## SOCIAL NETWORKING

At the National NAWGJ meeting, the State Judging Directors and the National Governing Board wrote a new Canon concerning social networking. Do NOT do things such as going on Facebook to a coach or gymnast after a meet to comment on routines, comment on anything that goes on at a meet, comment on fellow judges, comment that you were hung over at a meet or anything else unprofessional.

I find it a very sad commentary on our society that we even need a Canon on this!

## VOLUNTEER OPPORTUNITIES

If you need volunteer hours toward your National/Brevet course, you could volunteer to help at Regional Congress. It is Sept. 22-25 in Indianapolis. Contact Linda Barclay, IN SCC, at [lbarclay@indianausag.com](mailto:lbarclay@indianausag.com) to volunteer.

You could also volunteer if you just want to be nice!!

## WANT TO JUDGE REGIONALS AND/OR NATIONALS??????????

In order to even be eligible to judge Regionals, Easterns, or Nationals, you **MUST**:

1. Have your CPE's current
2. Be available
3. Work a Regional Training Camp
4. Turn in your Personal Involvement Form no later than Sept. 15.

Go to [www.region-5.com](http://www.region-5.com) to sign up for a Training Camp and to get your PIF.

(Make sure the PIF is for the 2011-12 season. To know for sure look at the dates for your state meets. The 2011 PIF may not be available for a week or so.)

## VISIT OUR NEW NAWGJ WEBSITE

Judy Hoeflerlin, National Website Director (and our own Region 5 judge), has totally revamped our NAWGJ website. It is **unbelievable!!!** Check it out, especially the education part.

**THANKS, JUDY!!!!!!!**

## MILEAGE DOCUMENTATION

You may be asked to provide mapquest information to verify your mileage to meets. It would be easiest to bring it to the meet. That way you could track your route for carpools. Do not take offense at that. It is becoming standard operating procedure in many businesses.
